

Onyx key features

- Ventilator cap: single piece with two opening points, controllable from inside the tent
- Storm cords: supplied loose
- Storage bag with drawcord top and compression straps
- 3 minutes to erect
- Standing room
- Class-leading storm resistance
- Use with open fire or stove
- Use on its own or with any model of floor or inner tent
- Door: double-zip with integral mosquito protection
- Hanging loop for drying

Solid, dependable performance that's perfect for family camping and for moderately demanding outings. Portable, spacious and easy to pitch – Onyx is an affordable Nordic tipi that's a truly reliable friend.

Breathable – Cotpolmex Comfort

Highly breathable and strong cotton/polyester fabric, creating a much better internal atmosphere than is normally experienced in tents. The tightly woven fabric and high class impregnation give high water repellency.

Non-breathable – Traillix Base

Lightweight nylon 6 fabric, PU-coated on one side. Carefully selected to be waterproof after prolonged use.
